'Welcome To Central Tyranny.'

Is a story based on truths endured during my association with a local Basketball Club.

Many are trampled over and their cries are not heard.

I present an insight of the same many experience.

Welcome To Central Tycanny

Welcome to My Office, Full of shit Headquarters as I like to call it. It's here I gain my inspiration.

It's a riddle!

AFRICAN

Hoccus Poccus, a swarm of locust,
Le Manny and Tacco make up a Contract

Look, I am merely concerned with maintaining my focus. Lemanny does anything in his power to pollute and destroy my intensity. Just get off my back Lemanny for you hinder my progress. As for you Tacco, this thing you call a contract represents your sleez. Do you respect me and rate me s^h. lowly? either way, I am gridlocked, a Foreigner in a desperate situation, I must adhere to these ridiculous conditions else corrupt my development in this game! Love. As you can see Lemanny, there is time for talk and time for action.

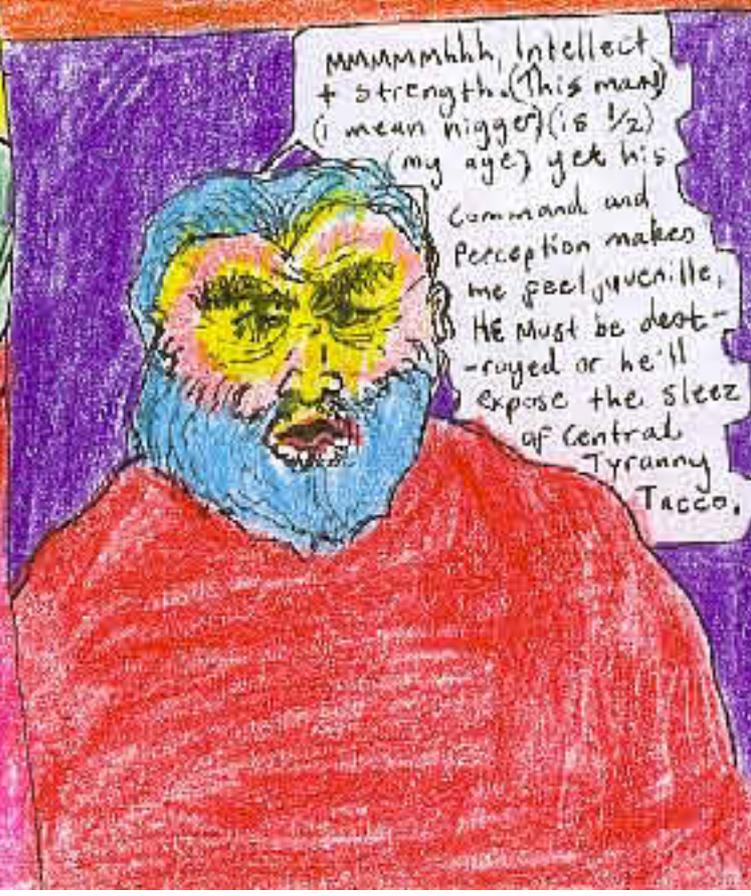

Communication is futile. For these two, Ignorance is Bliss.

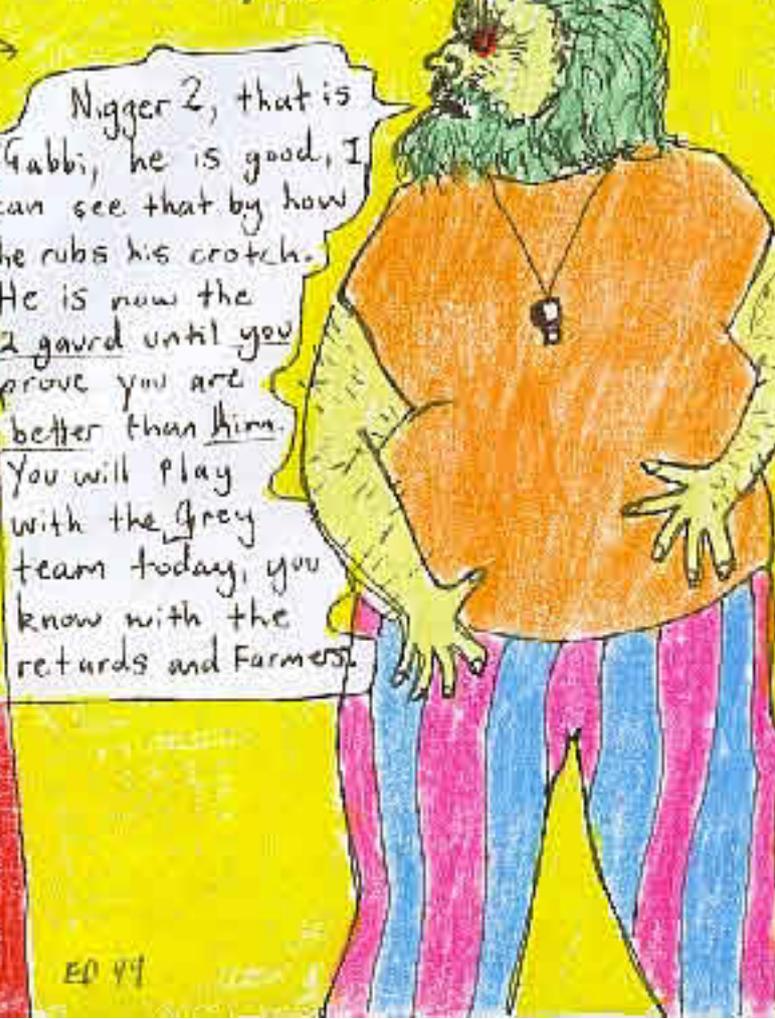

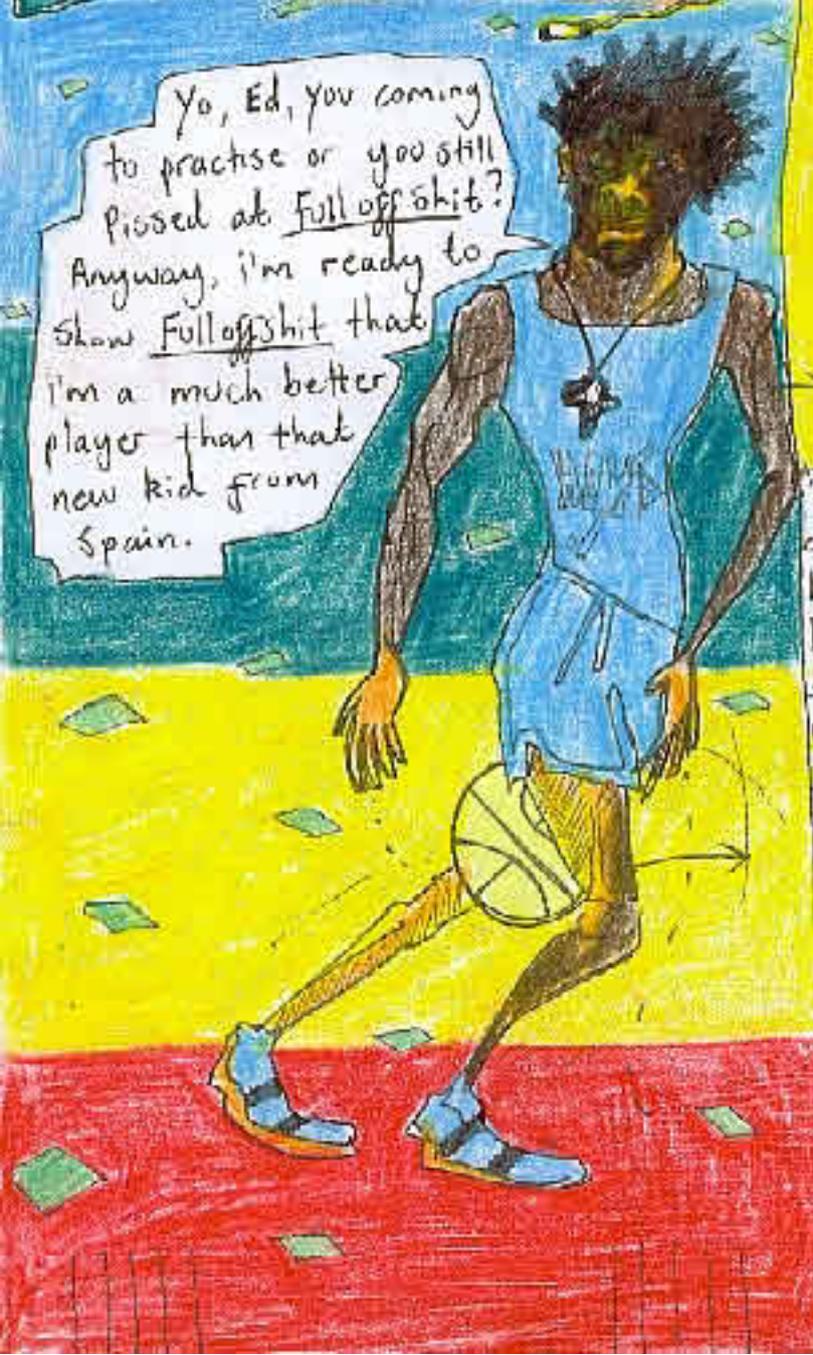

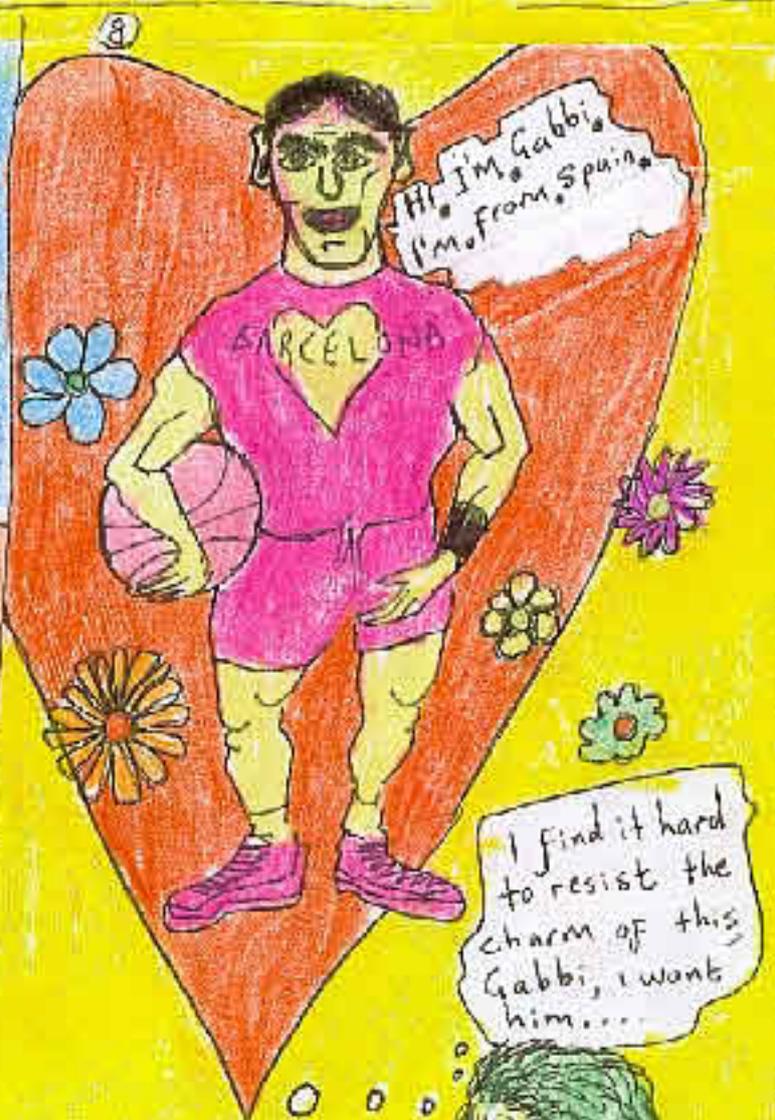

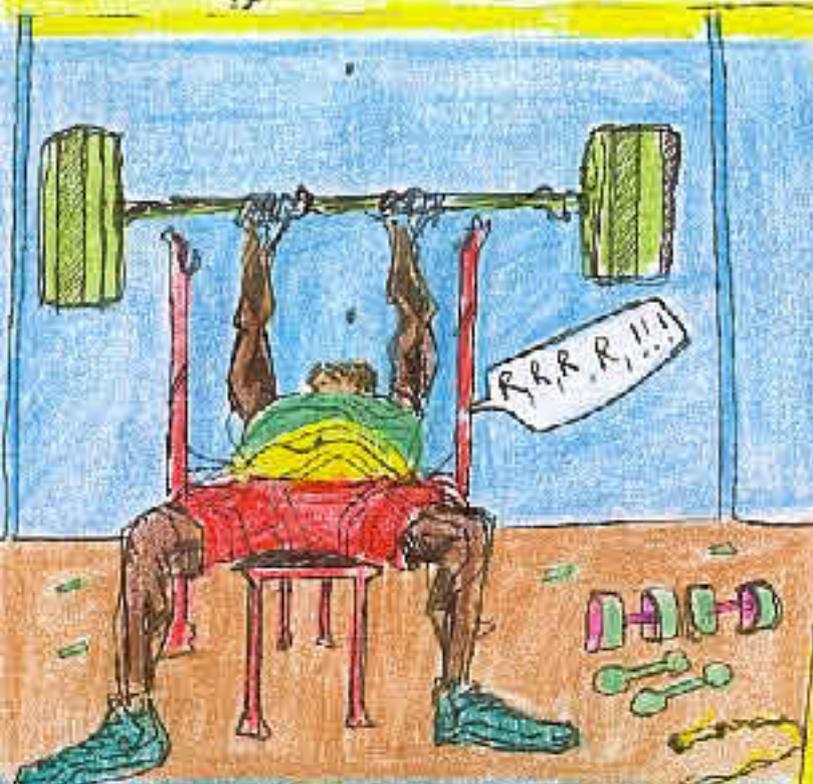

how do I, Gh Pollute your intensity?

What is intensity?

MMMMMhhh, Intellect + strength (this man) (i mean nigger) (is 1/2) (my eye) yet his Command and Perception makes me feel juvenile. HE must be destroyed or he'll expose the sleez of Central Tyranny Tacco.

30 minutes Later, White Ed does situps,
Something starts up on the court.

200

Fuck you
Fuck you too

Because
coach told
me to tease
you apart.

I'm gonna
kill you, you

did you just
foul me, so
hard?

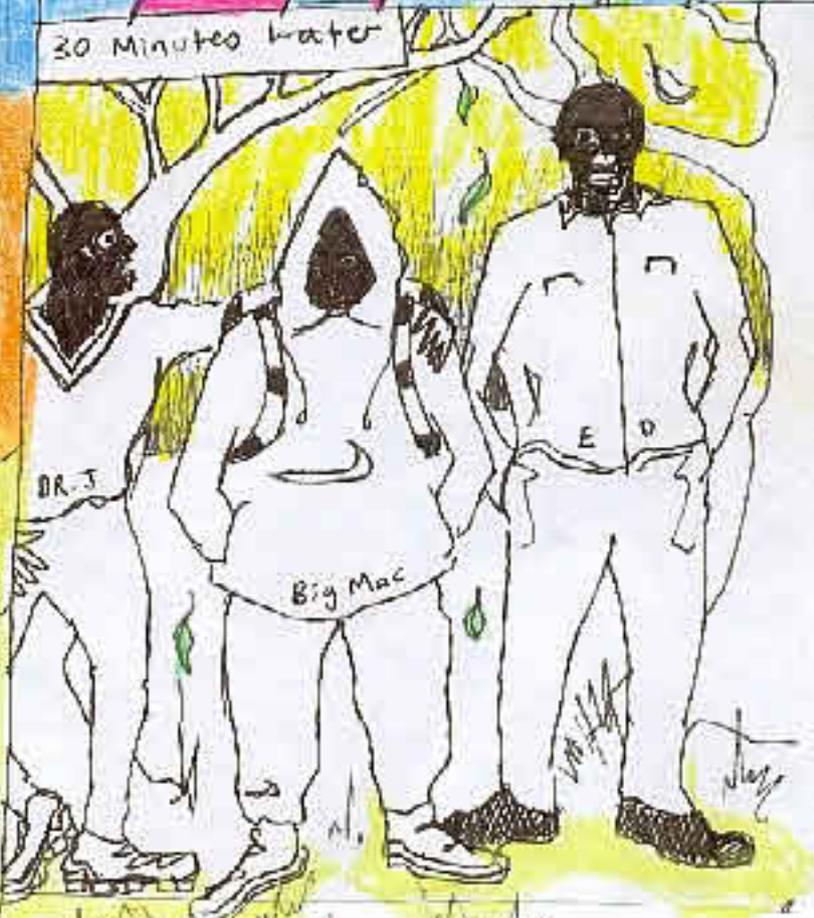

THEN

30 Minutes later

Nigga 2!! how dare you even touch
Gabbi!
Just cause i like him doesn't mean

So, in conclusion. Leave the

can stay.
I said l. e. a. v. e. Nigga!

Focus in this enterprise.

The owner of tyranny is an Angel. He does not realize the evils existing
in his own creation. He cannot be blamed as in his own right he is a piece

Aye, LeManny,
What's this about
yet another Nigg leaving

I'd appreciate it, if you gave me a few minutes more,
I'm surfing the Net. I'm in the

~~Good evening Ed~~

MMMMh, Ed, i've been thinking about
our disagreement a few days ago.
It's time to get down to business,
Today. I will teach you how to dunk,
Proper, like real pro. I cannot actually
physically show you how. But, I,
can give you, the most essential tip,
★ do not, hang, on the ring.

I see your hard work and your progress Ed. Like I promised, soon the club will be paying you monthly. We are not rich, we can give ± 3000 a month + help with allowances etc. Be Patient. You know Ed, Basketball is in. n. y. B. I. O. O. D.

I see, everything. D. E. D.

DAYS LATER

Just To, Make An Understanding, I have Never, addressed or referred to, any N.E.G.R.O., as Nigger. I am an Educated Man, well aware of certain Social, Verbal Hot-Points.

Alex!! Alex!! Come here, I want to tell you something. (You Might find You'll understand my coaching better)

Alex Has twisted his ankle. He Attends the training session anyhow. He is committed.

huh?

Alex, I want to share a secret with you. it's in regards to Nigga Ed. It Makes Me Sick, when I see him Dribbling the Ball.

It does? huh, why, Coach?

Alex is Amazed by the Game. His Pal Ed is Demanding.

What a Move ED!

Because. Because. Because ED is 192cm tall. No-one that tall handles a Basketball for long. Not Loud, you fool. Howz the ankle? H.U.H.!!

Go home and rest Alex. The Injury has spread to your Brain. You're supposed to Agree or support ALL MY STATEMENTS.

Later That Week

From this moment on Ed, I am, afraid to say, You are Banned From ever bouncing the Ball. That is the Final word. Goodnite!

Shaka Zulu
If A Lion Was Offered Wings To Fly, He'd Be A Fool To Refuse Them

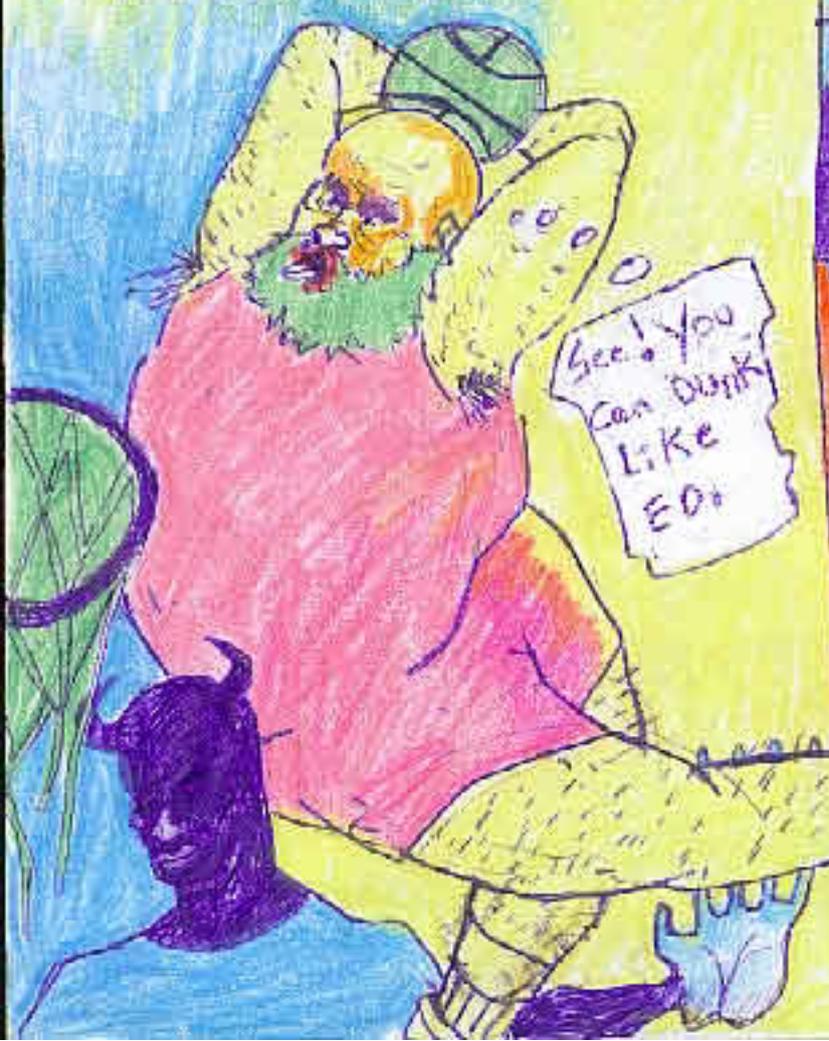

Q
What Of The Man who chooses To Destroy The Lion And His Wings

Next Morning, Driving to work, Coach is on Trip Of The World.

COACH DREAMS, AGAIN. LeManny is the Manny

What A Dream, Last Night. Did I Dunk over that Negro in my teens or Mid twenties? I like Dreams cause you can Always relive a special moment.

In T.H.Q.

Wow. Please LeManny, tell Me about other great Moves you did in your Broad Pro Career. Taco want to be Genius like you.

To prove you are truly a Coach.
Test your power against Niggab.
This is Coaches
challenge

Could You
Come here
Please Ed?

I Want you, to push me, as hard as
possible, on this area,
I want to see if I, I mean you are
ready for the game.

3 Seconds Later

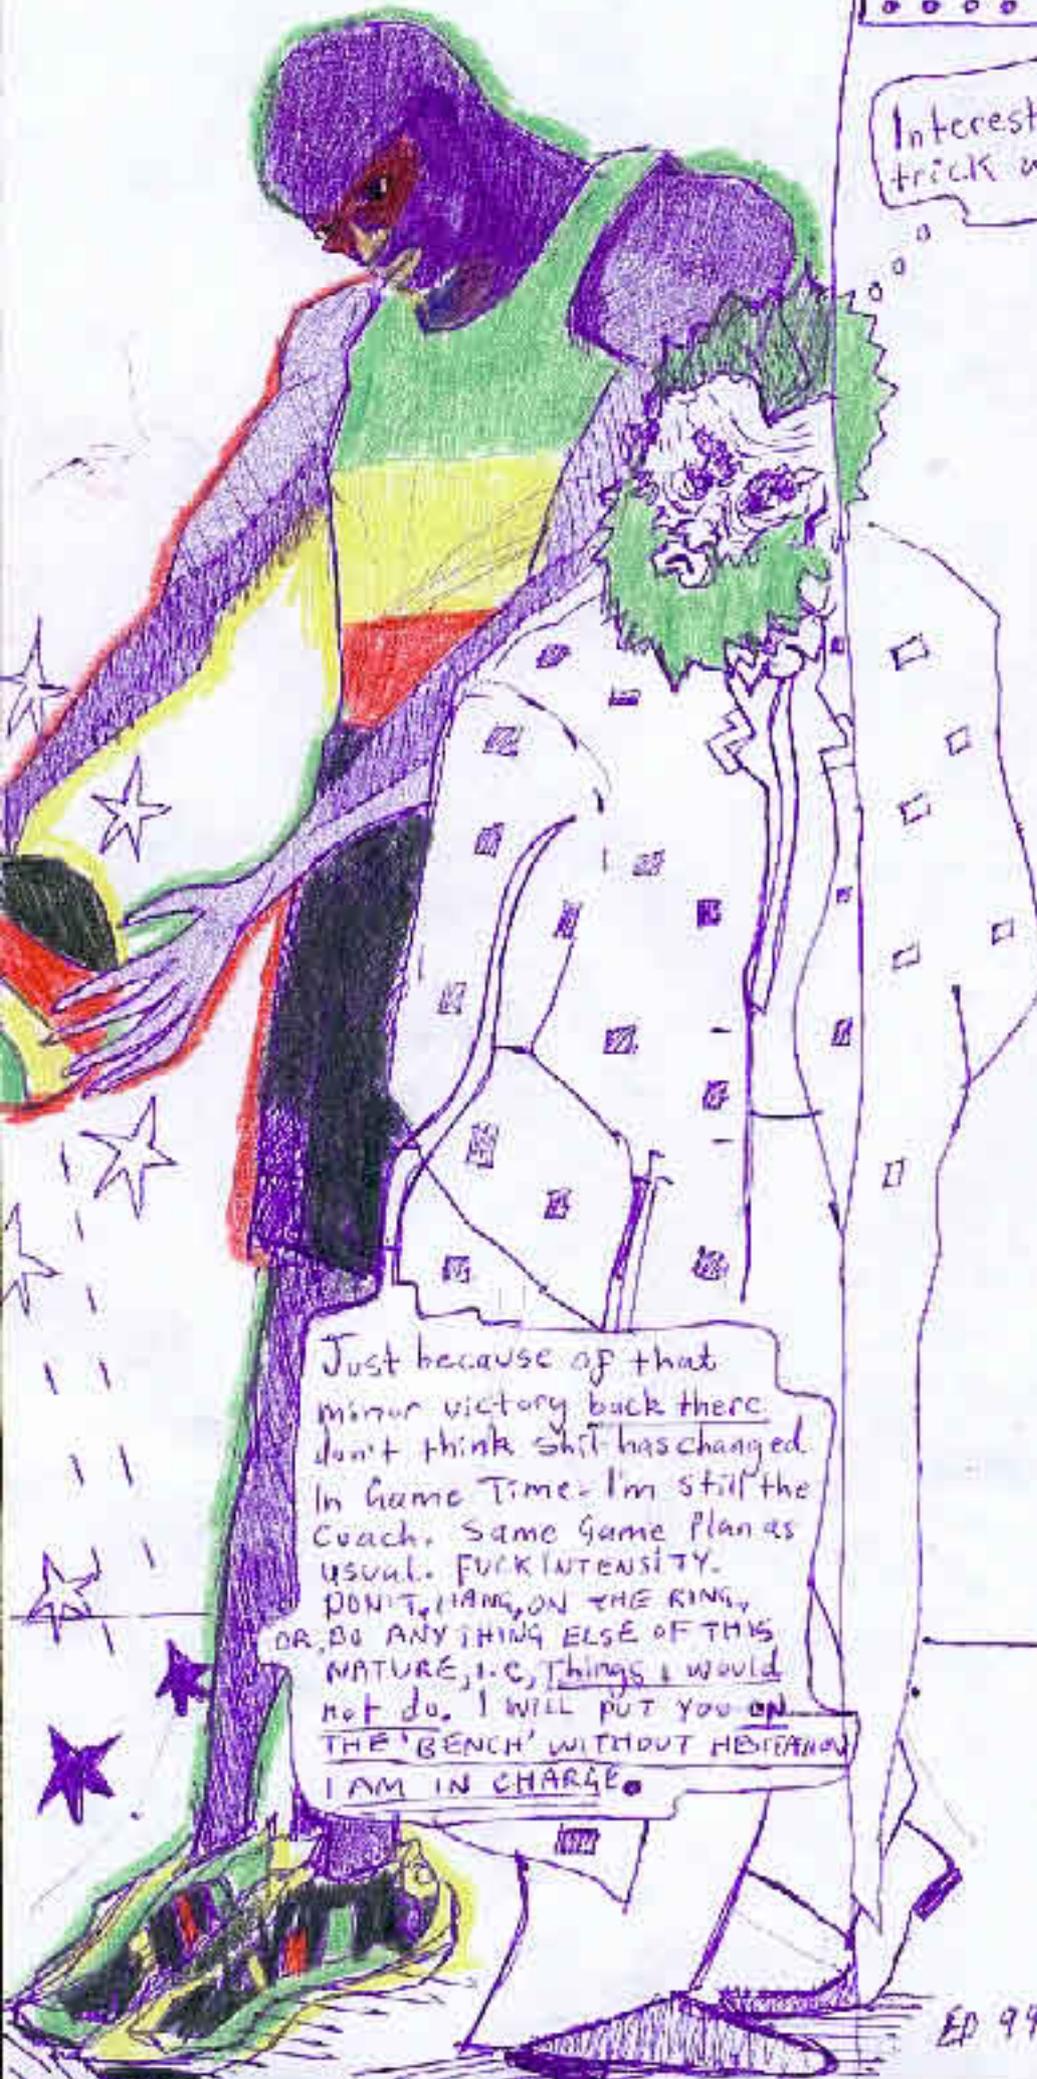

O.K

RRRRR, ARGH ARGH,
OBVIOUSLY YOU ARE
READY.

You're gonna
Regret that
Man!

Interesting - How did he do that
trick with the ball? Magic Perhaps?

Le Manny, Would you
mind explaining the
role of Nigger 1 in
your team.

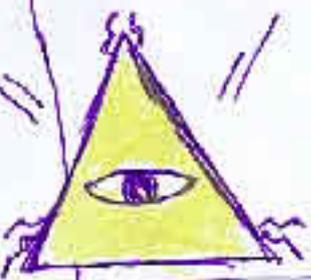

Just because of that
minor victory back there
don't think shit has changed.
In Game Time - I'm still the
Coach. Same Game Plan as
usual. FUCK INTENSITY.
DON'T HANG ON THE RING,
OR DO ANYTHING ELSE OF THIS
NATURE, I.E. Things I would
not do. I WILL PUT YOU ON
THE 'BENCH' WITHOUT HESITATION
I AM IN CHARGE.

Just because this Negro. Can Do A whole Bunch
of shit on the court that I only dream of,
Does not mean I can then humble
myself and respect his talents.

Before this man met me he could not
dunk. He could not shoot. He is only
now learning to bounce the ball.

When he is 29, then \star I \star will give
him the green light to explore the
beauties of playing guard. Only then
can he begin to explore the depth
of my wisdom.

Or do you mean Manny, that
only when he turns 29
will you be exploring the
fundamentals of coaching?

I am an illusion but you made
me real. My sister circle shall
be proof of this conversation.
She shall visit your face

I order you to leave my
conscious. You're an illusion.
Go back to your brother
square and sister circle you
fuckin triangle!

That sound is the silence of this planet telling you to appreciate yourself,
even if you do not understand it personally. Δ Δ Δ Δ Δ Δ Δ Δ Δ Δ

So This Growth On My Eye
Spiritual Representation Of
My Own Ignorance???

Which Means Nigga Isnt A
Tyrant??!

I hate him
even more
now...!!!

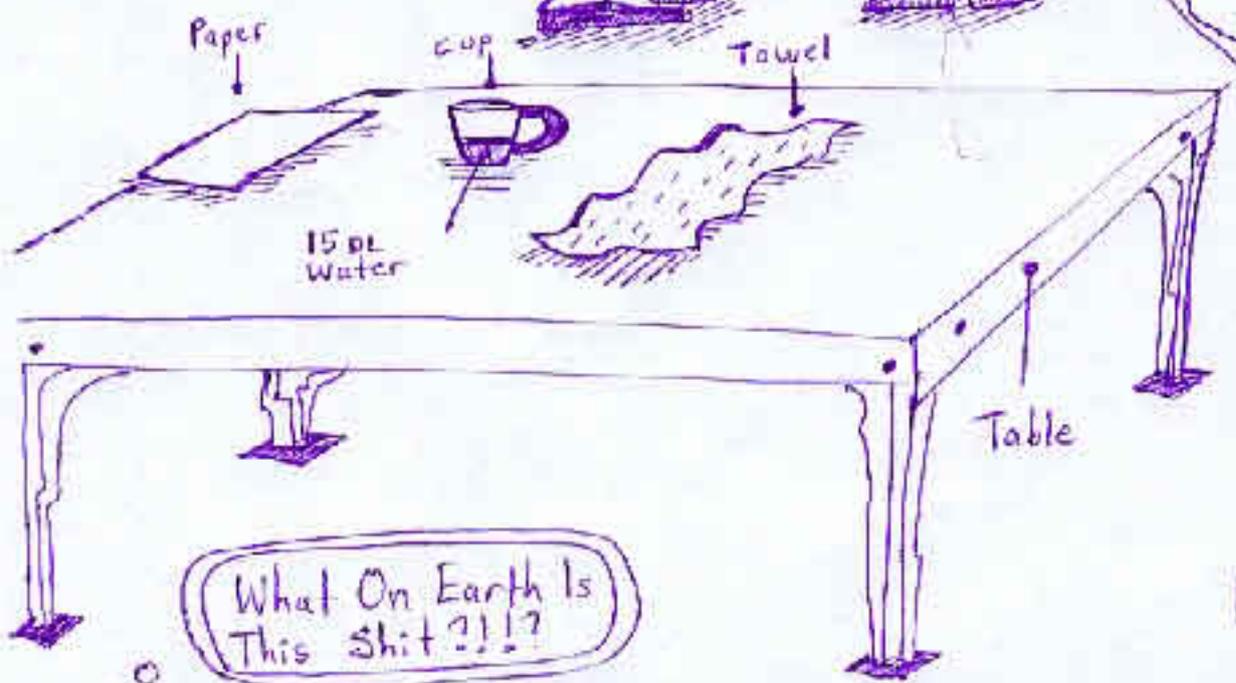

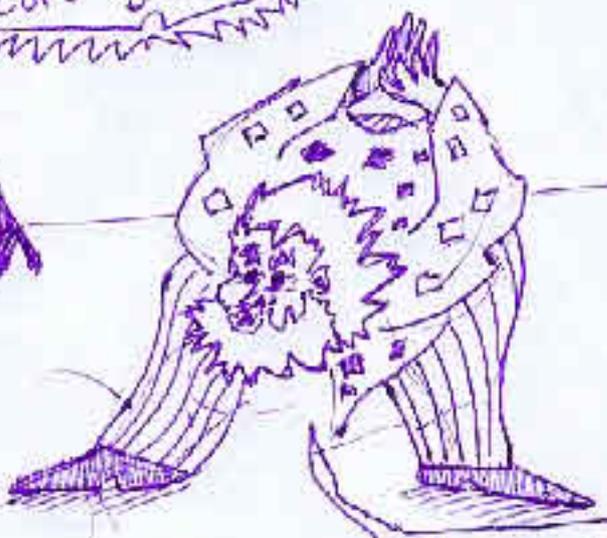

I remember the one time we gave Ed Top Medical treatment, In our very offices. We did not send him to a Sports Doctor, we called in our own Sports Guru. I recall the surgery.

To Repair Ed's Bad Back < Hurt After An Extremely Unbelievable Dunk >

This is ALL we Will need to cure you.

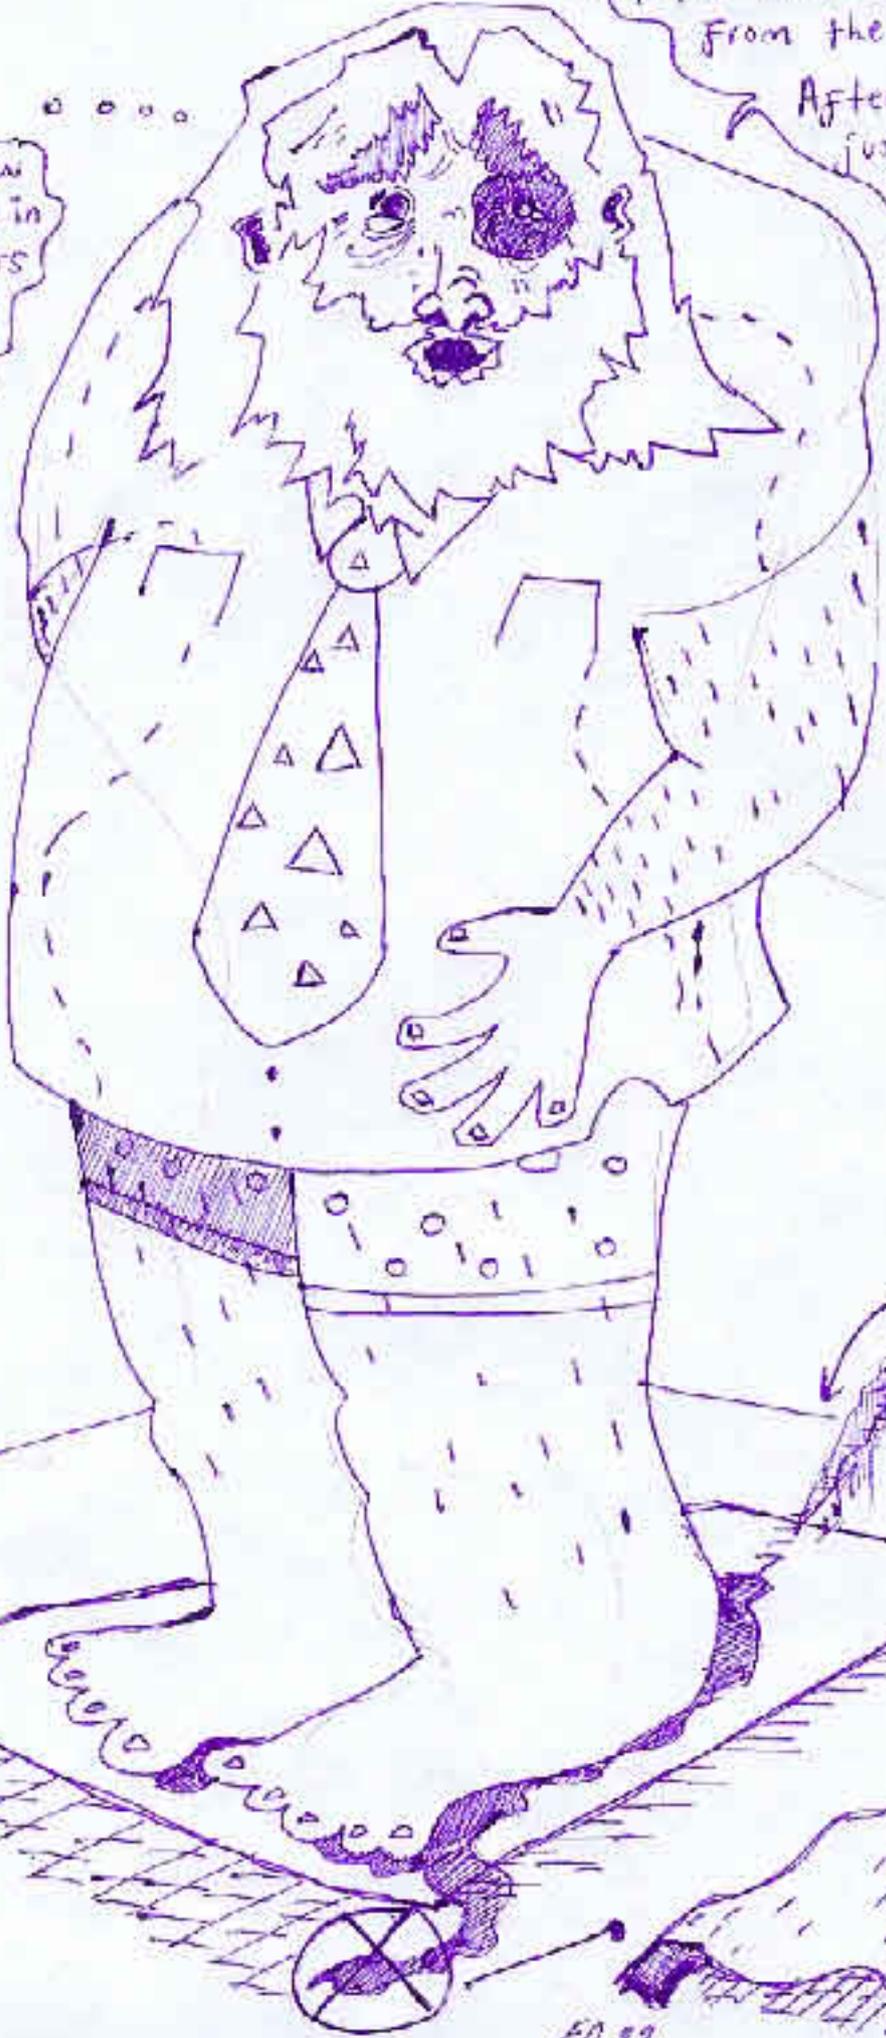

What On Earth Is This Shit?!?!?

This is all we will need to cure you ED.
 A papers.
 A Table.
 A Glass Cup with water in it.
 A Towel.
 And of course you.
 As you've guessed this is an expensive procedure.

The Operation went like this:
Ed stood on the table on top of the paper which had all of the water from the cup over it.

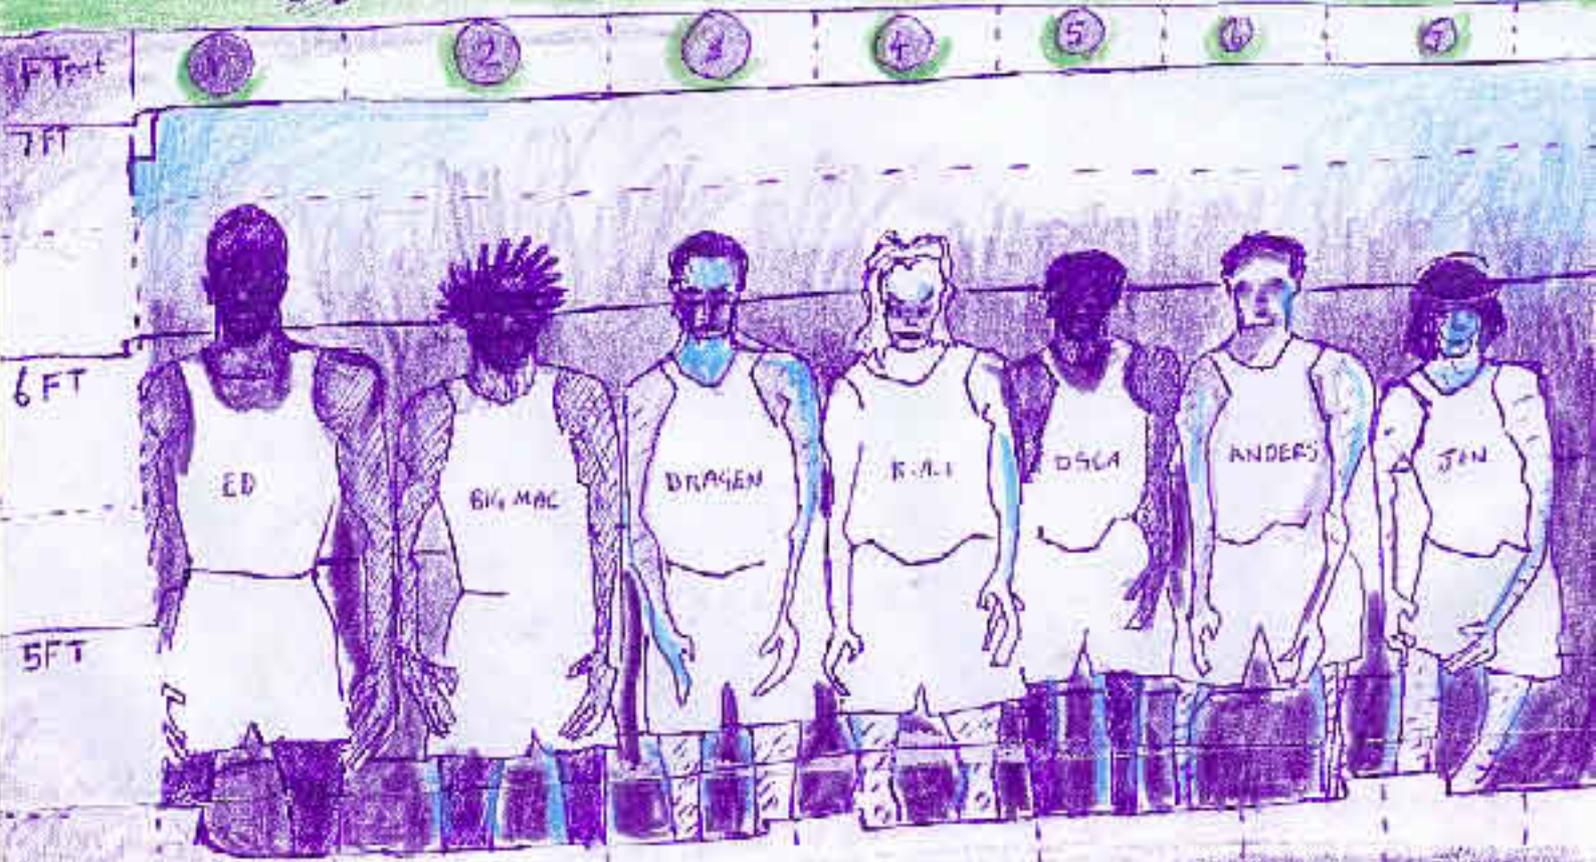

I am Now
Convinced in
the Wonders
of Modern
Science.

After his footprint was
just visible on the
Paper, our Therapist
diagnosed Ed's
Symptoms Unclearly
as a wiped spill
water off the table.
Ed jumped off the
table, and that
was that.
Fuck X Rays of
The Back.
Water ^{FOOT} Prints is
What is the Key
to all back ~~steps~~

Usual Suspects

After ± 5 years of... MMMh, Great Coaching,
 The Highest Authorities in Tyranny, Feel I
 should st op being Coach.
 I am not Bitter. I have plenty of Secretarial
 tasks to administer.
 Now I can Focus on 1000 000 ways
 to be totally inhuman against
 My personal favourite 'suspect'
 You gotit, Neyga Ed!

Inspiration

The Promised Land

Maybe, I wasn't Really fired from the coaching position. Maybe, The Central Tyranny feels I am a Guru Now. Yes, I Have Mutated into something Greater than Coach. I will make my Unspoken Genius, felt at every training session. They can't deny me That.

These are all lost souls seeking guidance through this Very Very complex Game or Matrix. I will Part the Waters in The Sea, and lead these Chosen few to..... Proper Basketball Techniques!

EO 91.

END

I did not expect to Meet Him!
 Why does he
 continue to show Interest in
 'the Game': I thought he'd
 Quit? I'll impress him with
 some recent
 happenings.

Long Time No See.

Look at this Polaroid Snapshot.
 This, is a photo, of how, my ^{EYE}
 looked a few weeks back.

You can look at the Photo
 if you want.

The whole experience
 enlightened me..

Get Well
 soon.
 How is the
 Team doing?

Well, we're expecting a
198 cm countryman of Mine.
 He is just AS SKILLED AS YOU
 BUT NOT EVEN HALF AS
 ATHLETIC. HE'S NOT INTENSE.
 HE is going to take
 over Ballhandling responsibility.

Le Manny, We are in a New Millenium. It has taken you 5 years of your coaching career ^{MINUS} previous years worth of Basketball, to Realize that it is Possible to have a (198cm) Individual Ballhandling. Because I was enforced mentally does not mean I did not maintain my personal objectives in skill maintenance. You know shit about what you've been sleeping on you ignorant man. Besides, I hear your New 198 player was unimpressed with your offer and ran to another Team.

No Mask Could Disguise the Piercing Truth

Unbelievable. He has located a Fault in my Enlightenment. I must definateley get to a less challenging atmosphere!

Ed. You Owe Central Tyranny 1000 Kr. You have not Paid Your membership.

Goodnite

You're Crazy Folloshit.
