Pain Solution is a power packed roller coaster of breath taking entertainment, taking the audience on a ride through beautiful and bizarre side show stunts.

Pain Solution pushes the limits of the body and mind, making every performance a visual experience of brutal aesthetics and extreme body control.

Pain Solution uses the rare art of the fakir, physical theatre and self-mutilation to turn every event into a ritual experience that generates a rush of adrenalin and pure energy for both the performers and the spectators.

Pain Solution is proud to perform all their stunts for real, never to use any illusions, always pushing for more, always playing at high risk, balancing on a sharp edge.

Pain Solution will never cease to shock and amuse, every occasion will leave scars and give the public a thrilling sensation never to be forgotten.
